

4th INTERM 2016

4th International Multidisciplinary
Microscopy and Spectroscopy
Congress & Exhibition
Sentido Lykia Resort Oludeniz, TURKEY
OCTOBER 1-5 2016

GEBZE
TECHNICAL UNIVERSITY

Dear Prof. Dr. Jin Shen,

I am writing to you as chair of 4th International Multidisciplinary Microscopy and Spectroscopy Congress & Exhibition (InterM) which will be held on October 01-05, 2016 in Oludeniz, Fethiye / Mugla-TURKEY (<http://www.intermcongress.org/>)

I am writing to ask whether you would be willing to present a talk at the congress as an invited speaker. Invited talks will be 30 minutes long, including a 10 minute question-answer session.

We have not yet established on which day your talk would be scheduled; should you accept this invitation, there is some flexibility that we can use to accommodate your own scheduling preferences.

In appreciation of your agreement to provide an invited talk, InterM would waive 50 % of the registration fee to the congress.

I do very much hope that you will be able to accept this invitation.

Ahmet Yavuz Oral, PhD
Chair of InterM
